Senator Bertrand, Co-chairman, called the meeting to order at 10:05 a.m. The roll call was dispensed with and a quorum declared present.

Minutes of the February 7, 2017, meeting were approved.

Secretary of State Paul Pate, and staff members, presented information on the challenges to meet current and future customer expectations which requires infrastructure and cyber security application redesign for 24/7 business access with full-content management system replacement. This appropriation from the RIIF Fund would require \$1,400,000 per year for five years for a total of \$7,000,000. They also were requesting an appropriation for DD4 Voter Registration License Files Maintenance & Storage. Included in the review were explanations as to what the Secretary of State's office does regarding Iowa's Business Portal; what they do as Commissioner of Elections and State Registrar of Voters; a Timeline for IT Analysis, Planning and Implementation; Action Steps/Use of funds; the current State action steps; the challenges they are facing; elections expenditures by year and funding source; business services requests; elections and voter registration requests; and the Secretary of State's Infrastructure Request Summary.

Following discussion and questions regarding these presentations, Senator Bertrand thanked the presentors for the information.

Senator Kapucian moved to arise at 11:00 am.

Senator Rick Bertrand

Charlotte Mosher, Committee Secretary
